

The following textbook is required for the course:

"Physics of Sound and Music, PHYS 1406, Course Guide and Laboratory Manual, Spring 2021", by Prof. Walter L. Borst

This text contains the course topics, as well as the laboratory manual and sample homework, quizzes, and exams (from previous years).

The book is available from:

The CopyOutlet, 2402 Broadway, Lubbock, Tel. 744-7772.

The price is \$73, plus tax. (Prof. Borst doesn't make any money from this.) The book will be ready for pickup starting Thursday Jan 21st. You can request CopyOutlet to send you the book via FedEx if you are unable to physically pick it up. The cost of shipping will depend on your location.

Please bring the "Course Guide" with you to lectures and to the labs. It is a good idea to read ahead in the book before class, and to add your notes to the book during lectures.
